Hi Bill:

It turns out the report is attached, for some reason it doesn't show up on the i-phone.

I did forget to confirm a couple of things with you yesterday:

- Do you receive any other reports or data in emails from CDF? If so, please provide
- How does CDF make a request for additional funding? Is it verbal or by email? How do they justify it? Please provide any documentation you might have regarding such requests.

Thanks,

John
